Tell us about your enterprise

Craft Vendor

Commercial Vendor

I have previously had a stall at Carols

Yes

No

Year

My business is:

local (within Hunters Hill LGA)

Not local (outside Hunters Hill LGA)

ABOUT THE STALL SPACE

What is the complete and absolute dimension of your stall* (in metres)?

Length of front (width)

Length of side (depth)

*Include everything such as trailers and tow bars etc. NB: if you need even 50cm more width than a standard 3m stall, you must acquire additional sites or space. **OVERSIZED STALLS WILL NOT BE ALLOWED TO TRADE.**

What type of stall structure will you be using?

Gazebo

Fete Stall

Display Truck

Display Trailer

Defined Activity Area

ABOUT THE PRODUCT

Are you selling food?

Yes

No

Only some

If your food products are **pre-packaged** and **sealed**, and do not require onsite refrigeration or heating, then you may apply for a **general stall** using this form. Examples are wrapped lollies or sweets; jars of honey, preserves, jams, pickles, spice mixes or teas. Also items such as fairy floss, popcorn and toffee apples. Please contact the Event Coordinator if you are unsure. If the above does not describe your food products then you must apply and pay for a **Food Stall**.

ABOUT THE PRODUCT cont...

Are you an information-only stall?		Yes	No
Is your product Australian Made?	Yes	Mostly	No
What is your target demographic?	Kids	Adults	Both
Are you running an activity at your stall?	Yes	Mostly	No
Is your stall sports or health-based?	Yes	Mostly	No

Proposed product(s) for sale: (please be as detailed as possible - including prices)

BOOKING A STALL SITE + EXTRAS

Use this section to book your stall site as well as any generators, tables and fete stalls you may require. You must select (and pay for) the **appropriate sized stall type** and **all extras**. Please note that you will not be allowed to bring your own generator.

General Stall site - 3m x 3m space only		\$195	
Extra: Additional site width (per metre)		\$70	
Extra: Fete stall hire 2.4m x 2.4m structure		\$110	
Craft Stall site 3m x 3m space only (to qualify as a craft stall, 50% of the completed product must be made by the vendor)		\$130	
Extra: Trestle table (1.8m x 750mm)		\$25	
Extra: Generator access 10amp		\$80	
Extra: Generator access 15amp		\$80	
Total			

Please make all payments payable to Hunter's Hill Council.
Credit card (**excluding** Amex and Diners)+ surcharge, and EFTPOS payments can only be made in person at **Hunter's Hill Council - 22 Alexandra St. Hunters Hill** between the hours of 8.30 am – 4.30pm Monday - Friday.
Cheques and money orders can be posted to: **PO BOX 21 Hunters Hill 2110**

Carols in the Park starts in DAYLIGHT and ends after SUNSET.
Please make sure that you have adequate **lighting** available for your stall either by using battery powered lights or booking access to a generator using the payment options above.

Stallholder applications will not be considered for acceptance until the full payment has been received. If an application is not accepted the payment will be refunded.

I am paying \$ _____ by method _____

Green Credentials: Carols in the Park is promoted as a waste wise green event – please refer to the **Special Events Environmental Impact Policy** on **Page 7**.

Please list how you will be adhering to the Special Event Environment Policy

Are there any other additional sustainability initiatives you would like us to promote on the day? (e.g. eco products, fair trade)

STALLHOLDER CHECKLIST (please tick)

I am aware that under no circumstance will I be issued a refund, once I am selected. Hunter's Hill Council takes no responsibility for inclement weather or crowd participation.

I have read the Terms & Conditions 2019 carefully and understand these are essential to my participation.

I have read and am fully aware of state health regulations and will set and conduct my stall accordingly. Failure to do so may exclude me from participating. (See Food Vendor Checklist)

I have completed all sections of this document including the payment details. I have listed all products that will be for sale and have completed the Special Event Environment Policy above.

I have included a copy of my valid **Public Liability Insurance**

I am aware that I need to arrive at the designated time and that cars cannot enter, leave or move onsite between 4.00pm and 9.00pm, or until deemed safe for the general public by the Event Coordinator.

I am aware of my stall site space requirements and have included appropriate payment with this application.

I understand that stall selection is at the discretion of Hunter's Hill Council and no correspondence will be entered into.

A qualified electrician has recently checked all my leads and equipment and I am aware of the total power I require. (E.g. some equipment such as deep fryers and urns will require a 15amp outlet each - overloading power outlets is seriously dangerous to myself and others)

I, the undersigned, have read and understood the instructions here within. I have provided **payment**, a copy of my **Public Liability Certificate of Currency**, **completed the stall application form**; completed the **Stallholder Checklist** and read the below **Terms & Conditions** including the **Health and Safety** requirements and the **Special Events Environmental Impact Policy** and agree to abide by them to conduct a stall at **Hunter's Hill Council's Carols in the Park 2019**.

General Comments:

Stallholder Terms and Conditions (Carols in the Park is a non-smoking event)

Please take the time to read the following very closely.

- All vendors can only sell the products that are stated on their application form and that have been confirmed by Hunter's Hill Council. Please endeavour to list each type of product or service.
- Applications will only be considered if a completed application form, full payment and a copy of your Public Liability Insurance and Food Safety Supervisor certificate are received by due date. (Unincorporated groups please contact Hunter's Hill Council).
- Vendors are expected to keep Hunter's Hill Council updated with their contact details; stall allocations will be posted closer to the event and we need your correct address to do this.
- Failure to comply with these terms and conditions may result in the closure of your stall – no refund will be available if your stall is closed.
- While preference will usually be given to previous stallholders, there is no guarantee of the exact stall site and no correspondence will be entered into about selection. Preference will be given to products of quality.
- Council reserves the right to refuse any application that it believes will not reflect the spirit of the community and Carols in the Park. (Council Policy No. 12)
- The location and allocation of stalls is at the absolute discretion of the event organisers. Particular care, courtesy and consideration are expected of each Vendor while setting up and packing down.

Stall Bump-in and Bump-out

- Stallholders must follow the direction of stall marshals at all times. If you fail to follow the direction of marshals, are rude, do not adhere to the below conditions, in particular ones relating to safety, you will not be invited back and /or your stall may be closed on the day. This is a highly successful community event and we expect all involved to attend with that spirit.
- The Event site is a Car Free Zone during operational hours (4.00pm - 9.00pm). No cars can be brought onto the Event site until it has been satisfactorily cleared and deemed safe to enter by the Event Coordinator. **Do not retrieve your vehicle until given clearance by the Event Coordinator to do so as you will not be allowed on site until then. Stallholders who create a traffic hazard by retrieving their vehicle early will jeopardise their chance of attending this or other Council events in the future.**
- Stallholders must arrive at the designated time to allow for a smooth setup.
- Food vans cannot move until after 9.30pm and only after clearance is given. All heavy vehicles (including vans) must have a person guiding at the front and rear at all times when being moved. We ask for your patience at the end of the evening.
- **If you would like to leave the site immediately at close and cannot walk your equipment and products off site then please do not apply for a stall.** Harassment of Council staff will not be tolerated and may result in a ban for the next year.
- The Event site, outside of operational hours is a strictly 10km per hour shared zone. All cars must be removed from the Event site once you have unloaded to allow space for others.
- Our concern with vehicles is the safety of you and all Event attendees, and we sincerely ask for your patience and understanding during bump in and out.

Stall set-up

- Accepted stalls will be sent their site allocation No., an Event site map and a designated time of arrival in the post. Under no circumstance are stalls to extend signage, racks and other fixtures out in front of their stall. If you are unable to set up due lack of space this will be your liability and no refunds issued.
- Tents and umbrellas must be weighed down with suitable weights at all times. It is the stall holders' responsibility to keep the tent/umbrella from blowing or falling over while at the event. Any damage or injury is the sole responsibility of the stall holder.

Weather

- Carols in the Park will only be cancelled due to severe weather (including on-the-day or in the lead up to the event where weather has caused the ovals to be deemed unsafe), and at the discretion of Hunter's Hill Council. Carols in the Park will continue with mild rain conditions. There will be no refund if abandoned.
- All vendor stalls and contents are to be adequately secured against wind and for wet weather.
- All care must be taken when putting tents down in severe weather, particularly with high winds. If there is lightning, do not take down tents, walk with poles or leave umbrellas up.
- Vendors should consider wearing sunscreen and hat as well as enclosed shoes.

Payments and Refunds

- Payments must be made in full at time of application. Cheques or money orders must be made out to 'Hunter's Hill Council'. Under no circumstances will refunds be available to vendors once payment has been receipted.
- Hunter's Hill Council takes no responsibility for inclement weather or crowd participation. Council reserves the right to cancel the event due to inclement weather and/or due to unsafe conditions.

Parking

- There is plenty of street parking surrounding the event but please be aware that any signposted, changed parking and traffic conditions will be enforced by the Rangers.

Waste and the Environment

- Carols in the Park is promoted as a "green" event which is one of the draw cards for this special community event.
- All vendors MUST comply with the **Special Event Environmental Impact Policy**. This Policy has been developed to reduce the waste impact of this special event. Failure to comply may result in the closure of your stall on the Event day and/or a ban on attendance at future Hunters Hill events.
- A cleaning fee of \$400 will be charged for any waste left behind on your site. Excess waste is to be taken away by you. The bins in the general access area on the Festival site are provided for the use of patrons only. Stallholders will be provided with access to a limited number of bins. Hunter's Hill Council will provide three kinds of bins:
 - Yellow bin for recycling
 - Blue bin for cardboard/paper
 - Red bin for general waste

Special Events Environmental Impact Policy

- Hunter's Hill Council has in place a Sustainability Plan, which aims to reduce the waste produced and energy consumed within the LGA. A requirement from the Office of Environment and Heritage is that Hunter's Hill Council develops and implements a Sustainable Event Management policy. This includes Council Events and Functions. This ensures that Council operations have minimal impact on the environment and set an example to the community. Stallholders must follow the policy.
- Council will monitor the management of waste throughout the day to make sure no problems occur. Event staff will also monitor and provide education material to ensure stall holders understand what goes in which bin, on the day to ensure that waste guidelines are in place.

Pollution and waste reduction according to the above mentioned policy:

- All food-ware used at the festival must be reusable, biodegradable or recyclable.
- Plastic and polystyrene products and packaging; including drinking cups, food containers, drinking straws and stirrers, cutlery, plates etc. must NOT be used or distributed at events.
- Take-away coffee cups MUST be recyclable
- Balloons are NOT to be used, given away or released during events (see Prohibited Items list for details).
- Plastic bags are NOT to be used / given away during events. Showbags must be paper or cloth.
- Any products sold or distributed must use reusable, or comprised of biodegradable or recyclable material.
- Single-use plastic items are prohibited at events.
- If stall holders propose to distribute paper cups, manufacturer details must be provided prior to the event (and stallholder approval) to ensure that the product is recyclable.
- No single use sachets are to be distributed at events e.g. tomato sauce, sugar sachets, salt and pepper sachets, sunscreen sachets or giveaways products such as shampoo sachets.

Prohibited items

- Products that may not be sold at Carols in the Park include live birds or animals, fakes or copies of designer brand name goods, weapons, items associated with the illegal use of drugs, or other items that the event management may consider unsuitable for the market.
- No political stalls or advertising are allowed at the event
- No alcohol may be sold at the event without prior written permission from Hunter's Hill Council and Gladesville Police Licensing Division.
- No offensive, counterfeit or unauthorised products may be sold.

- No games of chance such as lotteries, lucky dips, guessing competitions, raffles and the like are to be conducted without the express prior written consent of the Council.
- Any form of firecracker, silly string, gas bombs, and any other item deemed unsuitable will be prohibited from being sold or used at the Event. This precludes Council's engagement of licensed pyrotechnics operators for event displays.
- Vendors applying for a stall position who sell prohibited forms or items of merchandise should be aware that their application will be denied. (Council Policy No. 12).
- On the day of the event, Council has the right to request that any items not deemed suitable for sale be withheld from public scrutiny and sale (this includes dangerous and/or banned items such as those mentioned above). Should the vendor refuse this request, the vendor will be asked to leave the premises and will take no further part in the Event.
- Balloons are also prohibited from the event as when released into the atmosphere they can travel long distances and often end up in waterways where they can be ingested by birdlife and marine animals. Hunter's Hill Council and Carols in the Park try to set a good example by banning balloons from the event.

Insurance

- You **MUST** have your own public liability insurance of a minimum of \$10 million broad-form coverage. Please attach a copy of your Certificate Of Currency (unincorporated groups please contact Hunter's Hill Council)

Power

- Power is available if requested on the attached form and paid for. Only generators organised by the Event are allowed on site.
- Please pay for, and indicate on your application, the number of 10 or 15amp outlets required. It is suggested that you consult an electrician to find out your correct power needs, based on your equipment. (E.g. some equipment such as deep fryers and urns will require a 15-amp outlet each).
- Food Vendors should consult an electrician to confirm their power requirements based on their equipment. Overloading power outlets is seriously dangerous to yourself and others.
- Food vendors should have a 20m extension lead per outlet required to connect to distribution points. Power leads and extension cords must be unbroken and they must not lie across thoroughfares.
- Faulty leads and electrical appliances that trip the power supply will be removed and you will be without power. Please ensure your leads and equipment have been recently tagged by an accredited electrician.
- OH&S: All stallholders are expected to abide by all safety regulations and requirements to ensure the Event is safe and OH&S compliant.
- Electrical equipment must comply to Australian Safety Standards AS3760.
- Stallholders are to have all leads and equipment tagged in accordance with the statutory requirements, and are to ensure any leads are placed in such a manner so as not to create trip hazards or to present a hazard to the public through exhaust or heat. Electrical cables are to be heavy-duty construction standard and must have a circuit breaker.
- Carols in the Park is not qualified to provide extension leads.

Health and Safety

This year a Food Health and Safety Inspector will be on duty from 4pm. Infringement Penalties may be issued to Food Stall vendors who do not comply with Council and State Government requirements. Vendors are to consider Workplace Health and Safety as it applies to their business and staff and that of doing business at Carols in the Park.
